Town of Blackstone, Virginia

Sole Source Award

On September 15, 2025 the Town of Blackstone awarded the replacement/repair of a temperature monitoring system analog card to the sole source provider, SRG, Inc. Engineering Solutions in the amount of \$4,005.00. This temperature monitoring system will be installed at the burn building at the fire training grounds located at 1549 Rocky Bump Road, Blackstone, VA. This was awarded to SRG, Inc. Engineering Solutions of Danville, VA for they are the only authorized vendor to perform repairs and maintenance to this system.
