Town of Blackstone, Virginia

Sole Source Award

On August 26, 2024 the Town of Blackstone awarded the purchase of an 8" team insertion valve to the sole source provider Core & Main in the amount of \$12,373.00. This valve is the type and size needed to cap an unused line on Church Street, that belongs to the Town, adjacent to the water tank. This was awarded to Core & Main of Roanoke, VA for they are the only certified installers in the state of Virginia of this product from the manufacturer.
