Redistricting requires localities to utilize the **Reallocated Prisoner Population**. Any person incarcerated in a federal, state or local correctional facility is to be counted as a resident of the locality where he/her address at the time of incarceration is located. County Census data was re-allocated by the Virginia Division of Legislative Services. Demographics of this total was not collected, therefore demographics displayed below are based on True Census counts.

*Count: Each **District Count** is based on the Reallocated Prison Population.
